

'Survived To Tell - Be The Witness' is an innovative initiative using VR technology to amplify voices from the October 7th massacre. These immersive experiences feature five personal stories, offering a one-on-one tour of the key locations where the tragic events unfolded.

Ofir Engel

Kidnapped from kibbutz be'eri, released after 54 days in captivity

Millet Ben Haim

Nova festival survivor

Remo Alhuziyel

A muslim-Bedouin police officer that saved lives at the Nova festival

Mazal Tazazo

Nova festival survivor

Nimrod Palmach

Civilian hero who saved hundreds of lives on October 7

Lead your group through a powerful experience:

after a brief introduction and mental preparation, participants choose from survivor stories to watch, followed by intimate group discussions to process and share insights.

The workshop is adaptable and can be conducted at any location where your group is situated, providing a tailored experience directly to you.

Powered by ISRAEL-is, an NGO dedicated to amplifying the voices and stories of Israelis worldwide, sharing their narratives and fostering understanding.

Learn more and book your experience directly on our website
